1 – 877 – 820 – 7831

Participant Passcode: 647585

Moderator (DAVE!) Passcode: 3232843

## DRAFT RULE REVISION R317-4 – WHAT WE'VE HEARD SO FAR FROM YOU

### MAJOR TOPICS OF CONCERN

- Enforcement of Rules
  - How DEQ will enforce
  - How LHD will enforce
- Alternative Systems
  - Should be allowed statewide
  - Should be allowed for rapid draining soils
- Lot size (Method 2) – minimum lot sizes should not be increased
- Soils
  - Soil evaluation vs. percolation method
  - Unsuitable soils should require further testing
  - Better training and experience should be required for certification
- LHD conflict of interest
  - LHDs should not perform a service that the private sector can provide
  - Clarity of roles should be in rule
  - LHDs should not be allowed to design and give final approval of same system
  - LHD's should not be allowed to perform maintenance on systems they regulate
- Variance rule
  - Should be expanded to include entire rule
- Definitions
  - Approximately 41 should be revised
- Point of Sale
  - Should be a new requirement
- Certification of pumpers
  - Should be a new requirement
